Among the telegrams received at headquarters to-day were the following:

From Richard Eartholdt, of St. Louis:

"Missouri is redeemed. The whole Republican State ticket and ten congressmen elected. Bland, Hatch, Heard, Clark
and Morgan are defeated.

From Thomas Settle of Greensboro, N.

"It is conceded at Democratic head-quarters that we have elected seven gressmen in this State. The Third and Sixth districts are doubtful. Sixty coun-ties heard from. We have sixty-five members of the House of Delectates Dem-ocrats, twenty-three. This gives us con-trol of the House, if we can hold them, and Democrats cencede us the Senate." From John L. TRXAS CAUGHT IN THE SLIDE, The Rock Ribbed Democratic State Loses Two Congressmen.

DALLAS, TEX., Nov. 8.-The judger are still counting the ballots. Mayor Kearby (Pop.), for Congress, so far as returns are in from Dallas county, leads Abbott (Dem.) by about 69. If Kearby counts out as strongly in the city as his friends expect he will, the race in the Sixth district will be a decidedly close one. Despite depatches to-day, the election of Gilliland (Pop.) over Rell (Dem.), in the Thirteenth district, is assured.

Even the rock-ribbed Democratic State of Texas has parted from the faith and gone partially over to the enemy. The Democrats certainly lost two, and possibly four, congressmen. Nugent (Pop.), for Governer, is running like a scared hound. The Populists here are actually claiming his election. While many leading bemocrats are dumbfounded at the cyclone which has wellings swept the party out of existence, others are not at all astonished; they say that Cleveland and Congress have uterly failed to carry out the wishes of the peeple, and have betrayed every trust and all confidence put in them. There is loud talk of forming a new national party, with a new name, upon the best planks of the Democratie-Populist parties and old line Whig platforms.

The time-worn plurality of 180,000 for Democracy is a thing of the past. To-day's returns very materially changed the situation from that of yesterday, when the Democratis were confident of a plurality of 80,000, while to-night they will nominee for Governor. The State to-night is calimed by both parties. The Populist claimed by both parties. Denny Says He is Elected-A Tragedy. LEXINGTON, KY., Nov. 8.-The situation in the Ashland district is unchanged from yesterday. Owens (Dem.) claims 118 from yesterday. Owens (Deth.) claims its plurality, but Judge Denny (Rep.) says he is confident of his election when the official returns are counted to-morrow. If Owens is given a certificate Denny will surely contest his seat in Congress on the ground of refusal to register Republican votes and on account of frauds on election day.

The Missouri Delegation.

ST. LOUIS. MO., Nov. 8.—Returns received at State Democratic headquarters show that the Republican victory in Missouri was even greater than last night's report indicated. Chairman Cook, of the State Democratic Committee, gives the followine list as the latest returns on the Congressional delegation:

First district. C. M. Clark (Rep.); Third, A. M. Dockery (Dem.); Fourth, G. C. Crowther (Rep.); Fifth, J. C. Tarsney (Dem.); Seventh, J. P. Traccy (Rep.); Eighth, R. P. Bland

Mosel (Rep.); Fifteenth, C. G. Burton (Rep.). This gives the Republicans ten representatives in Congress from Missouri, and as Rland (Dem.), in the Eighth district, is only nineteen votes ahead, with several unfavorable precincts to hear from, his defeat by J. L. Hubbard is almost certain.

WHITNEY ON THE WATERLOO. A Lesson to the Part, and Many Will Re.

Joine at Its Thoronghaess. To the Editor of the World: It does not require a seer to see that the cause of yesterday's results were both general and

yesterday's results were both general and special. It is a repetition, to my mind, of 1874, with the parties reversed. The panic of 1873 resulted in the great Democratic tidal wave of 1874, and the hard times of 1893 and 1894 have resulted in this great Republican victory.

That is the great underlying general causes, but along with it is the fact that the Democratic party has misbehaved since 1892 and disgusted large bodies of its friends and supporters. That fact has been perfectly evident to everybody. When people are poor and hungry they actually are against the Government, and the party in power gets the blame of it.

and the party in power gets the banks of it.

A great many who have loyally supported the party this time will rather resolve at the thoroughness and completeness of the whipping. If it was to be they would rather have the lesson written out strong enough not to be mistaken. I do not think it is a verdict against the party or its principles. The Republicans will say so, and it will take a long time to get over it, but the Democratic party has had four times as many defeats as victories since I have been a voter, and it does not demoralize easily. It will be stronger in the end.

Roselyn, L. L. Nov. 7th. TENNESSEE STILL IN DOUBT,

But It Looks Very Much as If Evans Has

Defeated Governor Turney.

NASHVILLE, TENN., Nov. 8.—The governorship is still in doubt, Republicans and Democrats claiming the victory, and Democrats claiming the victory. Seventy counties heard from officially and unofficially give Evans (Rep.) 3,000 majority. Of the counties yet to be heard from it is conceded that they are about evenly divided.

It looks very much as if Evans was elected, but the result can only be learned by the official count. The Legislature is safely Democratic.

COMPLEXION OF THE SENATE. If the Democrats Lose North Carolina the S nate is Lost Too.

NEW YORK, Nov. 8.—Reports received from Washington state that the Republicans probably lost the Legislature in that State. If this proves true the Republicans will lose one senator on which they were counting.

SAN FRANCISCO, CAL., Nov. 8.—The plurality of the Democratic candidate for Governor in California will be about 2,609. The Republicans have elected the remainder of the State ticket, and will have a majority of at least twenty in the next Legislature. The Republicans announce they will make a contest when the Fifty-fourth Congress meets. Attorneys have been engaged to handle the cases, and evidence of fraud is now being gathered.

THE RESULT UNCHANGED.

The Yote Officially Canvassed in All the Counties and Cities Yesterday.

MAHONE'S YIEW OF THE WALTON LAW

The Contests Will Be in the Second, Fourth, Sixth and Tenth Districts-Falling Off in the Vote in Many Sections of the State, Especially in the Valley.

Yesterday was the day fixed by law for canvassing, by the city or county commissioners, of the vote of Tuesday's election. This was done in most of these localities. In some, however, for one good reason or another, the work was continued to another day.

Official and other returns do not change the result as given in The Times of yesterday. The Democrats elect nine congressmen. These are: Messrs, Jones, in the First; Tyler, in the Second; Ellett, in the Third; McKenney, in the Fourth; Swanson, in the Fifth; Otey, in the Sixth; Turner, in the Seventh; Meredith, in the Eighth, and Tucker in the Tenth. one-General The Republicans elect

James A. Walker, in the Ninth. James A. Walker, in the Ninth.

The Republicans indicate a purpose to contest the election of the Democratic congressmen elected in the Second, Fourth, Sixth and Tenth districts.

From official returns and estimates these figures are give, for the various districts. In some of them, notably the First and Second, these pluralities are likely to be reduced by the official figures: In the First, Jones, 2,509, Second, Tyler, 2,000; Third, Ellett, 6,509, Fourth, McKenney, 811; Fifth, Swanson, 2,535; Sixth, Otey, 2,000; Seventh, Turner, 1,500; Eighth, Meredith, 2,490; Ninth, Walker, 800; Tenth, Tucker, 1,100.

Nansemond's majority of 566 for Tyler is the largest Democratic majority in a national election for years. The newspapers and people crying fraud in Nansemond county are simply doing so for political capital. PETERSBURG, VA., Nov. 8.-Special. I asked ex-Congressman Edward C. enable, chairman of the Fourth district Democratic congressional committee, what Mr. McKenney's majority in the district would be, and he said between 700 and 800. Mr. McKenney's friends are much pleased at his election, and it is believed that he will be given his seat in the next Congress, although it has a large Republican majority. Darvill's district, Dinwiddie county, gave McKenney a majority of 30, and Thomas E. Clark, Democratic candidate for the Legislature, got a majority of 74 over Dance, Populist.

Westboro precinct, in the same county, gave McKenney a majority of 13 and Clark a majority of 24.

The vote in the different cities and counties of the State was canvassed today by the commissioners of election. Walton Law, ROANOKE, VA., Nov. 8.—Special.—Col. Hampton Hoge, Republican candidate for Congress from this district, returned home this evening after an absence of several days in Halifax and Campbell counties, and announced his intention of contesting the election of Major Otey, the chief grounds being, it is understood, the number of votes thrown out in the district and the alleged unconstitutionality of the Walton law.

The Commissioners of Election for the five wards of the city canvassed the vote of the late election to-day, and declared the result as follows: For Congress—Otey (Dem.), 1,50; Hoge (Rep.), 1,161; Rucker (Pop.), 350; defective ballots, 292; for constitutional amendment, 1,237; against, 342; defective ballots, 187.

THE WALTON LAW COMMENDED.

WOODSTOCK, WA., Nov. 8.—Special.—
The change under the Walton law was very marked in this county. It seems to have given general satisfaction among both parties, except that the Republicans want a Republican constable at the polls. There was no drunkenness or pulling the voter hither or thither at the polls, as in former elections; no bribery or debauchery of the voter at any of the precincts in the county.

Every man seems to have voted as he desired. The constables were all men of high character and no complaint is made of their conduct from any quarter. The contrast was wonderful and elevating, and it is believed will give a higher type of citizenship. Of course, this being the first election held under the new law there was more or less improper

North Carolina Claimed by 20,000. North Carolina Claimed by 20,000.

RALEIGH, N. C., Nov. 8.—Semi-official returns from nearly every county in the State Indicate that the Fusion ticket, State, judicial and legislative, put out by the Republicans and Populists has been elected by some 20,000 majority. This gives them the State Treasurer, Chief Justice and two associate justices of the Supreme Court and five judges of the Supreme Court.

Chairman Butler, of the Populist party, claims the State by 30,000, and says that the Fusionists will have a majority of thirty on joint ballot. This latter estimate is believed to be correct. They will probably have the Senate by ten majority. It is not yet possible to estimate their strength in the House.

NORTH CAROLINA REPUBLICANS. They Claim the State by 40,000-Want

Money to Employ Counts.

WASHINGTON, D. C., Nov. 8.—The following letter from North Carolina, received at Republican headquarters, explains itself:

plains itself:

Greensboro, N. C., Nov. 7, 1884.

Hon. J. W. Babcock, Washington, D. C.:

Dear Sir,—We won a complete victory
at the polis here yesterday. Have elected the judicial ticket by an estimated
majority of over 40,000, and have both
branches of the Legislature, with four
Republican congressmen and three Populists. The fight will have to be made
to-morrow, before the county canvassing boards. These boards have judicial
powers, with the right to investigate
the legality of every vote, and pass upon
the regularity of the precinct returns.
It will be necessary for us to have law
yers of reputation and ability to appear the regularity of the precinct returns. It will be necessary for us to have lawyers of reputation and ability to appear before these canvassing boards in many of the countles of the State. We will be compelled to employ Democratic lawyers, at good fees; besides, it will be a stroke of policy to get them.

I have borne the expenses of this campaign mainly and new my means.

at good fees; besides, it will be a stroke of policy to get them.

I have borne the expenses of this campaign mainly, and now my money is exhausted. Our candidates claim that they have not the means, and this is true with the most of them. If we succeed in holding the State, it is the end of Democracy here, for we have had for years the majority, but through the election machinery we have been defrauded. If you can do anything for us, name the amount by wire immediately upon the receipt of this. We have been arranging to employ counsel by wire where needed, if we can raise the means. The Democrats have given up the State, but information comes to us that they intend to do their work before the canvassing boards to-morrow. Some of their unguarded politichans are saying that they have the machinery and expect to use it, and do not intend to give up the State, "that the count beats voting." I have made estimates in thirty counties in the State on definite information, and in these counties we have gained 25,000 over the vote of two years ago, and have gained in these counties thirty-live members of the House out of forty-six, and it seems that this ratio will be kept up except in the First and Ninth districts, and in these we have gained about six thousand. Pearson's majority, in the Ninth, is 1,852, and Skinner's, in the First, is about 800. Yours truly.

Chairman State Executive Com.

Chairman Babcock telegraphed a reply to this letter, directing the Republican manager to take the necessary steps to protect their congressmen, and that the committee would stand by them.

The Result in Forsythe, The Result in Forsythe,
WINSTON, N. C., Nov. & Special.—
The exact result of the election in this
county remains undecided. The canvassing board met to-day and adjourned late
this afternoon to meet again to-morrow
to decide upon some crookedness in two
townships. If these are thrown out the
entire Democratic county ticket is elected, otherwise only the Sheriff and Treasurer will be safe. It now looks like
Messrs. Crump and Pinnix, Democratic
State senatorial candidates, were defeated. Forsythe goes over 460 and Davidson
over 600 against them. They will be elected if the two townships here are thrown
out.

Wemen Voter.

DENVER, COL., Nov. 8.—Returns almost complete place McIntyre's (Rep.) majority for Governor at 20,040. There will be a Republican majority of 17 on joint ballot in the Legislature, insuring the return of Senator E. O. Wolcott.

In an interview to-day, Governor Walte said, regarding the result:

"The woman vote was all against me. Our strength was in the mining districts, and in those districts women are very scarce. Their influence was principally in the cities, which so unalterably opposed me. I believe that is why their vote went so largely against the Populists. The women must be educated up to think for themselves, and not be controlled by money power. As are the men."

"Do you think the Populists will ever be able to regain power?"

"I believe they will but it may be some time. I do not know exactly how it will be done. I think we will have to do it

tory is due to the women. They have done themselves and Colorado credit. At the first opportunity they lave shown in the most emphatic manner that they are in favor of good government, and that they are going to be a power for good in the body politic.

DENVER, COL., Nov. 8.—Figures received this morning at the Populist headquarters indicate the election of Bell (Pop.) over Bowen (Rep.), in the Second congressional district. The Republican State Committee still claims Bowen's election. The result will be very close, and will be determined by returns of two distant mountain counties. The Republican majority in the Legislature is eighteen, on joint ballot. The Populists have the Senate by two and Republicans the House by twenty.

PUEBLO, COL., Nov. 8.—Returns from a large majority of the precincts in the Second congressional district give Bells (Pop.) pluralities at 7,661 and Bowen's (Rep.) at 7,769. The Popullats claim that the precincts yet to report will not affect the figures.
Chairman Drake, of the Republican Congressional Committee, says his estimate shows that Bowen will pull through.
DENVER, COL., Nov. 8.—The Republicans apparently have a majority of 16 on joint ballot in the Legislature. The Senate will consist of 16 Republicans and 19 Democrats and Popullats. In the House, the Republicans will have 42 members, and the opposition 3.

Mest Solomn of Religious Services Hold Over the Body at Livadia-A Farewell Look.

ST. PETERSBURG, Nov. 8.—The most solemn of religious services were held at noon yesterday in the church at Liva-dia, to which the body of Alexander III. was removed the previous night. Masses were said in the presence of the body. The services were attended by Nicholas II., the Czarina, and the Prince and Princess of Wales, the representatives of various foreign powers, and many others. The Czar was deeply affected. At the conclusion of the services, and after the visitors present and troops had viewed the body, the populace were formed in line and filed past the coffin to take a farewell look at their dead ruler. Many of those who looked upon the face of the dead Czar were visioly affected, and expressions of sorrow were heard on all sides.

Chairman Drake, of the Republican Congressional Committee, says his estimate shows that Bowen will pull through.

WATLE WAY 50 TO HALINOTE.

DENVER, COL., Nov. 8.—Governor Waite is going to leave Colorado. He is tired of the State and disgused with his defeat. A well-known Populist said today for the Governor: He is considering a proposition made to him to take up his residence in Illinois. The story is that the Populists in Illinois have taken such a liking to the Governor that they want him not only to reside among them, but also to lead them to victory as their candidate for Governor white on his recent visit to the Windy City pleased him immensely, It is not probable that the Governor would live in Chicago, but near that city.
